

The drum and piano positions can be interchangeable..

Vocals	Piano	Bass	Drums
1 Mic + Stand	Acoustic Piano	Bass Amp	1Mic + Stand

We can provide gear, including drums, electric piano, acoustic bass, 2 amps and some microphones.. Ideally there would be a p.a. system with mikes and stands for miking vocals, and piano. If amps are available for the bass and electric piano, great. If not, we can provide them. Perhaps the bass can be DI'd directly into a p.a. system, or if not – thru bass amp..
